HOW AUSTRALIA WAS LOST

| | |
|---|--|
| 1950's | Nation begins to forget God. Bible out. Words of Man in (secular humanism, Marxism and UN dogma). Paganisation of Australia begins. |
| 1960's | Legalised murder in the womb. Sexual Revolution (promiscuity, homosexuality, pornography). Homes and families weakened as women enter the work-force. Masculinisation of women begins. |
| 1970's | Submission to foreign laws & foreign power begins (secret signing of unmandated UN Covenants) Mis-placed trust and reliance on government. Parental abdication of responsibility increases. |
| 1980's | Relaxed censorship & crumbling media morality. Increasing globalism & loss of sovereignty. The compromising Church losing its way, its voice and it's influence in society |
| 1990's | Erosion of civility, respect and all the values our ANZAC's fought for. Feminisation of men. Abdication of fatherhood. Continuing sex-role confusion. |
| 2000 - 2005 | Increasing centralisation & erosion of State functionality & responsibility. Growing political incompetence. Gross voter complacency. |
| 2005-2010 | Government waste, paralysis, social engineering & trivial pursuits. Journalists prostitute their professionalism. Pornography flood. |
| 2010-2015 | Political impotence. Political Correctness. Free Speech lost. Dumbing down by propaganda. Thinkers stop thinking. |
| 2015-2020 | Homosexual activism. Rational discussion & debate lost. Traditional marriage lost, religious freedom lost Sexual grooming & gender bending in schools |
| 2020-2025 | Creeping and paralysing State power & intrusion Political freedom lost. Incarceration begins. Slide into dictatorship. Hail Caesar/Hitler! |
| SAY GOODBYE TO THE AUSTRALIA WE ONCE KNEW AS CULTURAL DEMENTIA SETS IN ... "Lest we forget" | |
| Future generations will ask - Is this our inheritance? How & why did they let this happen? | |

***700 LATER ARRESTED**

On March 23, 1933 Enabling Act introduced

- giving Hitler the authority to create new laws without parliamentary approval, thus making him the dictator of Germany
- just after the Nazi-staged “false-flag” Reichstag fire
- needed a 2/3 parliamentary vote
- Catholic church’s Centre party, Zentrum, held the balance of power and supported the Act, then dissolved itself 3 months later

Two weeks after this dissolution the Vatican and the Nazi government signed a Concordat, with Article 16 effecting an alliance between its German church and the Nazi state

NO PLACE IN THE MESSAGE OF THE CROSS FOR THE WISDOM OF MAN

| NO AVOIDANCE | NO ADDITION | NO SUBTRACTION |
|--------------------------------|------------------------------|---------------------------|
| It might offend | Make it palatable or complex | Deny The Word |
| It might cause division | Elevate the preacher | Minimise The Fall and Sin |
| It might reduce revenue | Make it just a social gospel | Exclude some sins |
| Must only be “seeker friendly” | No evolution content | Myths and allegories |
| Doubting The Word | No other wisdom of man | Exclude warnings |
| Rarely preach The Cross | No “ism’s” | Many roads to God |
| Avoid sin and repentance | No liberal interpretation | No divinity for Jesus |

Prime Objective: Love & serve God. Love & serve our neighbour

Mission:

Rise up & move with zeal to defend the family, demolish strongholds, save the lost, bring salt & light to the people and encourage a groundswell-based transformation of character and culture to win Australia back for Christ

Values:

Abiding zeal in humility, worship, faith, hope, love, prayer, Spirit-led, obedience, commitment to prepare for and support the mission and preferred strategy/strategies.

Strategies:

- Choose any strategy the Spirit communicates and leads.
- Whether the Spirit-led strategy is centralised, decentralised or both, the key factors for success will still be righteousness, holiness and zealous action.
- Note that insistence on only one strategy is not advised, given that God moves in many different ways, with many different people and in many different places. He is the commander.
- For example, to insist that a decentralisation strategy is the only way is a contradiction in terms - meaning that our efforts would all be centralised around a decentralisation strategy.
